Subject: Oregon proposed budget included @\$630 to offset losses from a CZARA disapproval. See the attached.
Attachments: 03.AS.pdf

See page 88, priority 5, all of the way to the right. Oregon's proposed Agency Request Budget for 2015-2017 included @\$630k to offset losses from a CZARA disapproval. See the attached. My understand is that DLCD's included dollars to offset potential losses from a CZARA disapproval as well.
